- The need to innovate in Australia

- Smarter Law
 - What is it?

**Fast, agile, tech savvy,
collaborative, remarkable —
but hardly modest.**

smarterlaw.com.au

**If you want same old,
same old — we are
not your firm.**

smarterlaw.com.au

Take flight —
we are.

smarterlaw.com.au

Hall&Wilcox
smarter law

Evolve always.

smarterlaw.com.au

Less Q.
More A.

smarterlaw.com.au

Innovation in Technology

- Split IT and Client Solutions
- Provision of technology to clients
- Co-labs
- Automation
- Client matter management
- Data mining

Innovation in other areas

- Engagement of Millennials
- How we use space
- Innovative pricing
- Targeted recruiting
- Incubators and start-ups

Thank you
