DIVERSITY POLICY

SCG Legal is committed to fostering among its member firms an environment where diversity and inclusion are encouraged and to facilitating each member firm's reputation for excellence, experience and connection not only in the jurisdictions in which they operate, but across jurisdictions as they collaborate with one another to support their respective clients.

In furtherance of those objectives, SCG Legal encourages its member firms to institute and implement policies to promote diversity and inclusion in the profession and at their respective firms.

As a modern network invested in the success of its member firms, SCG Legal's commitment to diversity and inclusion extends to its professional development opportunities, the composition of its board of directors and committees, and its relationships with others.

* candidate firm

SCG Legal is an association of independent law firms founded in 1989 by the former governors of 17 states for the purpose of providing an effective and reliable means of identifying competent local counsel worldwide. Today, SCG Legal is the only network of its kind with a different firm in every state capital. It also has firms in Los Angeles, New York, and Washington, and in capitals and leading commercial centers in over 60 countries around the globe.
