

## SCG Legal Ranked as Global Elite Law Firm Network by Chambers and Partners

**March 1, 2023 (Washington, DC)** – SCG Legal, a worldwide law firm network of 122 independent firms across 62 countries, is pleased to announce that the 2023 edition of Chambers Global Guide has recognized the network as a Global Elite, elevating the network’s ranking from its previous Global Market Leaders (Band 1) category. Additionally, the network maintains its rankings for Leading Law Firm Networks: Highly Regarded - Nationwide – Canada and Leading Law Firm Networks: Asia-Pacific Region.

The Chambers rankings are based on extensive interviews involving each law firm network’s members, clients, colleagues, and competitors. Inclusion in the Guide is determined through a meticulous evaluation and vetting process.

“These honors in the Chambers Global 2023 Guide are a reflection of the fact that our member firms are directly affecting every aspect of business in every key jurisdiction around the world,” said SCG Board Chair Mark Dunphy, a partner with Australia-based Hall & Wilcox. “We are not just a group of firms loosely associated through membership in this organization. We are truly a cohesive collaborative—interwoven through shared ethics and values—and that makes us an incredibly powerful and effective community.”

A ranking from Chambers indicates that a law firm network has stood out in the most rigorous, independent, and comprehensive research process of any legal directory on the market and has emerged as one of the best in its field. The qualities on which rankings are assessed include technical legal ability; professional conduct; client and member benefits and services; commercial astuteness; diligence; commitment; and other qualities most valued by clients.

“Our network continues to expand its influence and impact, a truth verified and reinforced by this recognition,” said SCG Legal CEO Alina Gorokhovskiy. “I am confident that no matter in which geographic area a client has interests, an SCG member is more than capable of providing the guidance and expertise necessary to navigate critical legal, humanitarian, political, or regulatory matters.”

Consistently earning these accolades from Chambers and Partners means SCG Legal has positioned itself as a cost-effective alternative to international law firms with many international branches, and that it proactively helps members generate cross-referral work, which means clients benefit from unified solutions when work crosses borders.
